Living with HEARING LOSS

Any degree of hearing loss can impact everyday life and cause difficulty at home, at work, in places of worship and in social settings. The Vanderbilt Bill Wilkerson Center is offering classes that are designed to reduce these known effects of hearing loss. Spouses and significant others are welcome (and encouraged) to join.

TOPICS COVERED INCLUDE:

- The anatomy of the ear
- Hearing loss and the hearing test
- Hearing aid technology
- Speechreading
- Communication strategies and styles
- Roles of communication partners
- Assistive listening devices
