# General Information

## COURSE DIRECTOR

Christopher Wootten, M.D., F.A.C.S., F.A.A.P.  
Assistant Professor  
Vanderbilt University Medical Center, Department of  
Otolaryngology, Vanderbilt Bill Wilkerson Center, Monroe  
Carell Jr. Children's Hospital at Vanderbilt

## INTENDED AUDIENCE

Pediatric otolaryngologists, pediatric speech  
pathologists, pediatric gastroenterologists, and pediatric  
pulmonologists around the world.

## COURSE OVERVIEW

After participating in this CME activity, participants  
should be able to describe and discuss:

- Evidence-based approaches to managing patients with  
aerodigestive diseases
- Indications for surgical approaches to improving the  
airway
- Approaches to distinguishing the role of  
gastro-esophageal reflux and eosinophilic esophagitis in  
diagnosing aerodigestive tract inflammation.
- Strategies for diagnosing tracheomalacia and  
indications for surgery.
- Multi-specialty team functioning and the roles the  
each member of the team plays in the diagnosis and  
management of aero-digestive problems
- The components of a comprehensive aerodigestive  
program and a business model that makes it  
sustainable.

## TOPICS TO BE PRESENTED

- GERD and eosinophilic esophagitis
- Dysphagia
- Cricopharyngeal dysfunction
- Recurrent pneumonia
- Nasal obstruction and inflammation
- Oropharyngeal obstruction
- Laryngomalacia
- Laryngeal clefts

- Airway lesions
- Interstitial lung diseases
- Food allergies and intolerances
- Esophageal dysmotility
- Laryngotracheal stenosis
- Tracheobronchomalacia
- New therapies and trends
- Current research in aerodigestive disease

## REGISTRATION AND PAYMENT

The course registration fees are as follows:

OPTIONAL Business Management Session, November 3, 2016, 1pm-5:30pm M.D.s	\$50 \$300
Speech-Language Pathologists	\$300
Residents, Fellows and Students	\$200
Nurses	\$200

The course fee includes all sessions, CME/CEU credit, materials and all food functions.  
**To register visit [vanderbilthealth.com/aerodigestive](http://vanderbilthealth.com/aerodigestive)**

## CANCELLATION POLICY

If you must cancel your registration for this course, we will refund your registration fee, less a  
\$25 administrative fee, provided you notify us by one week prior to the start of the course. In the  
event of cancellation or rescheduling of this activity due to unforeseen circumstances, Vanderbilt  
University will refund registration fees in full. Vanderbilt University is not responsible for non-  
transferable, non-refundable airline tickets or hotel accommodations purchased in connection  
with attendance at this activity.

## CONTINUING MEDICAL EDUCATION (CME) CREDIT

Vanderbilt University School of Medicine is accredited by the Accreditation Council for  
Continuing Medical Education to provide  
continuing medical education for physicians.  
Vanderbilt University School of Medicine  
designates this live activity for a maximum of  
**16.0 AMA PRA Category 1 Credit™**. Physicians  
should claim only the credit commensurate  
with the extent of their participation in the  
activity.

## CONTINUING EDUCATION (CEU) CREDIT

American Speech-Language Hearing Association  
This course is offered for 2.0 ASHA CEUs (intermediate level; professional area).

## COURSE LOCATION AND LODGING

The course will be held at the Renaissance Hotel Nashville in downtown Nashville.

Renaissance Hotel Nashville  
611 Commerce Street, Nashville, TN 37203

A block of rooms has been reserved at the Renaissance Hotel Nashville for \$249 a night. This  
special room rate will be available until October 5, 2016 or until the group block is sold-out,  
whichever comes.

\*Nashville is hosting an award show the week of our conference, so you are encouraged to book  
your hotel stay early as rooms will fill quickly.

**Please visit the course website ([vanderbilthealth.com/aerodigestive](http://vanderbilthealth.com/aerodigestive)) to register and reserve  
hotel reservations.**

Nashville, Tennessee - Nashville is a vibrant engaging city which sits beside the Cumberland  
River and exudes all of the charm and hospitality one expects from a Southern capital. Settled in  
1779, the city has a rich and historic past, and visitors can tour many civil war battle sites as well  
as several well-preserved antebellum plantation homes.

Proudly named "Music City USA," Nashville has a large music and entertainment scene spanning  
a variety of genres, and is the home of the Grand Ole Opry, the Country Music Hall of Fame, and  
many major record labels. The downtown area is always alive with music as it pours out of Lower  
Broadway, Second Avenue and Printer's Alley nightly.
