Visitors from 195 countries have come to My Cancer Genome for information on genetically-informed cancer medicine.

MyCancerGenome.com averages more than 6,250 weekly visits.

More than 14,000 patients have had their genetic information entered into PREDICT, a personalized medicine program that tailors drug prescriptions to patients’ DNA.

Vanderbilt University Medical Center is among the nation’s premier teaching hospitals.

The Medical Center is home to Vanderbilt University Hospital, Monroe Carell Jr. Children’s Hospital at Vanderbilt, Vanderbilt Psychiatric Hospital, Vanderbilt Stallworth Rehabilitation Hospital, The Vanderbilt Clinic, Vanderbilt Health One Hundred Oaks and many other locations where we take care of patients throughout the region. Over the past 141 years, we’ve grown into a world-class enterprise where our staff, faculty and students are driven to make a difference for people through education, discovery and patient care.

Unique in the Region

- Comprehensive Cancer Center for adults and children
- Level 1 Trauma Center
- Level 4 Neonatal Intensive Care unit
- Dedicated Regional Burn Center
- Tennessee’s only comprehensive solid organ transplant center

More than 300,000 patients have signed up to use My Health at Vanderbilt, our pioneering electronic medical record system.
