(Including X-rays)

## Surgical Services in Spring Hill and Murfreesboro

Your pediatric patients can have select outpatient surgeries performed in Murfreesboro and Spring Hill by the same pediatric surgeons that practice at Children's Hospital's main campus in Nashville.

Surgical specialties offered at our 2102 West Northfield Boulevard location in Murfreesboro include:

- Gastroenterology
- Orthopaedics
- Otolaryngology
- Urology

This location, one of two Children's Hospital facilities in Murfreesboro, is 37,500 square feet and was built specifically for providing pediatric care. In addition to surgery and specialty services, we also offer pediatric imaging and urgent care.

Surgical specialties offered at our 1003 Reserve Boulevard location in Spring Hill include:

- Gastroenterology
- Pulmonology
- Otolaryngology
- Urology

Children's Hospital is dedicated to improving pediatric care in surrounding communities, and we closely collaborate with you, the referring pediatrician, to ensure your patients receive the best care and quality outcomes.
