TENNESSEE POISON CENTER

*Providing Tennessee residents the highest
standard of poison control service for 30 years!*

2018 ANNUAL REPORT

51,999 INITIAL CALLS TO TENNESSEE POISON CENTER (TPC) IN 2018

TPC SAVES LIVES

- Poisoning is the leading cause of injury death in Tennessee.
- TPC is the only poison control center in Tennessee.
- TPC managed more than **106,013** calls in 2018 (includes initial cases and follow-up calls).

TPC PREVENTS PEDIATRIC POISONINGS

- **50%** of poisonings reported to TPC in 2018 involved children age five and under.
- Unintentional medication exposures remain a serious threat to young children.

TPC IS THE EXPERT IN TREATING PATIENTS WITH PRESCRIPTION DRUG MISUSE AND ABUSE

- **60%** of exposure calls in 2018 involved pharmaceuticals.
- TPC has two board-certified physician toxicologists on staff. A toxicologist is on call 24/7 providing back-up for life threatening poison emergencies.

TPC PARTNERS WITH THE STATE OF TENNESSEE ON EMERGENCY PREPAREDNESS

- TPC collaborates with the TN Department of Health and county health departments to monitor public health events and possible biological and chemical hazard events.

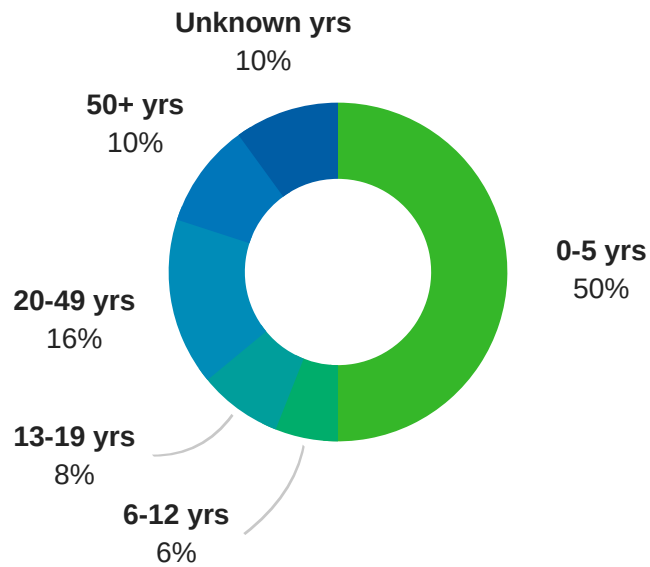

TPC SAVES MONEY FOR TAXPAYERS

- In 2018, TPC saved Tennessee taxpayers **millions** of dollars in emergency department visits for the uninsured.

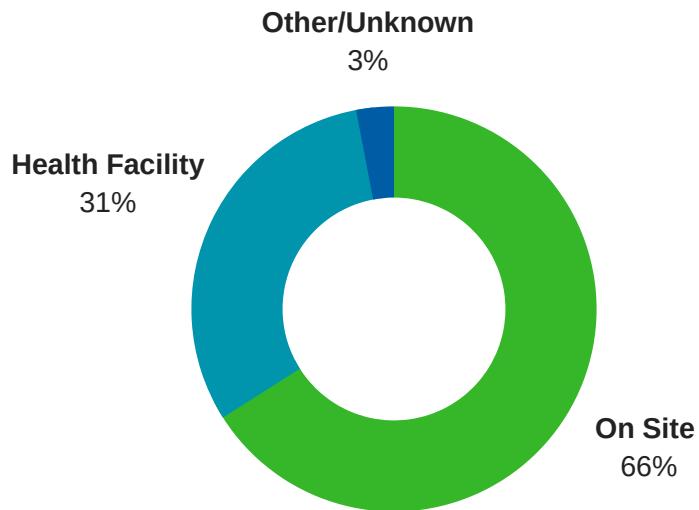

Our service is available 24 hours a day, 7 days a week, 365 days per year.
