A few key FAQs for Leaders

**WHAT HAPPENS AFTER THESE ACTIVITIES END IN APRIL?**
We will host a strategy session in May to let teams assemble around the top ideas to pitch them to senior leaders.

**WHY DO YOU WANT TO HEAR FROM ME?**
Everyone has great ideas. The best ideas and solutions may come from anyone. Creativity is not limited by expertise. The strongest organizations want to hear from as many people as possible for creative solutions.

**DO I HAVE TO DO THIS?**
No, participation is optional but we hope you will if this challenge calls out to you. The more people who participate the better the ideas that will come from this effort and the more we will learn. You can take part in as much or as little as you want.

**HOW MUCH TIME AND EFFORT WILL THIS TAKE?**
You can take part as much or as little as you like. The great thing about IdeaShare is that it is designed to let you participate in brief moments during your day, from your desktop or mobile devices. Any amount of participation is valuable.
