

## LOCATION AND PARKING

VandyWorks Classes are held in the **Clinical Staffing Resource Center** which is located on the 3rd floor in the Vanderbilt Asthma, Sinus and Allergy Program Building (A.S.A.P).

### **Clinical Staffing Resource Center**

2611 West End Avenue, Suite 340

Nashville, TN 37212

### **Parking**

The parking lot is shared with the Holiday Inn at Vanderbilt. Parking spaces for the A.S.A.P Building are available in the front or back parking lots. **\*Do not park in the Redlands/J Alexanders Lot\***

### **Holiday Inn/Shared Parking Lot:**

- Turn off West End Avenue into the front lot of the Holiday Inn. The A.S.A.P building is on the left.
- There are only a few spaces in the front lot located directly next to the A.S.A.P Building.
- The first 3 spaces are 30 minutes only for the A.S.A.P Shot patients.
- You can park in front of the cones that read "Reserved for Medical Center."
- If you do not see an open space in the front lot, drive between the Holiday Inn and the A.S.A.P Building to enter the shared back parking lot.
- You can also enter the parking lot from 28th Ave. (Between the Holiday Inn and the building with the murals of the Vanderbilt University Athletic Coaches.)
- The parking for the A.S.A.P Building is to the left.

***NOTE: As a courtesy, we try to keep the spaces that are closest to the building open for the A.S.A.P or Women's Health Center patients, when it is possible.***

### **Entering The Building**

- **Front Entrance on West End Avenue:** Across from Redlands Grille/J Alexanders, take the elevator or stairs up to the 3rd floor. Exit right go past the restrooms and you will see the CSRC Suite on the right.
- **Back Entrance:** Cross the covered bridge, take the elevator or stairs up to the 3rd floor and exit left. Follow the hallway around the first corner and the CSRC Suite is on your left.

*The CSRC Suite door is should be unlocked. Someone in the office will be available to direct you to the training room and can also validate your parking ticket.*
